

Geological Society of Nevada, Elko Chapter:

## **SCHOLARSHIP OPPORTUNITY**

**WHO:** This opportunity is for any graduate or undergraduate student who intends to pursue or is currently involved with a research topic related to Nevada geology or regionally related to Nevada geology.

**WHAT:** The successful applicant will be awarded a tuition scholarship in an amount ranging from \$1000 - \$4,000, depending on tuition needs.

**WHEN:** We will be awarding this scholarship for the 2026-27 academic year with a **submission deadline of April 15th, 2026.**

**WHERE:** Any undergraduate or graduate student with a project that involves Nevada-related geology is eligible to apply for this tuition assistance. Preference will be given to economic geology-related projects within Northern Nevada, but this is not necessary to be considered.

**WHY:** Funding for research or research-associated activities. The successful applicant, upon completion of their research, will be invited to give back to GSN Elko in the form of a technical presentation at one of our regularly scheduled meetings to present your research.

**HOW:** Please submit an application to GSN Elko Executive Committee via email, and you will be contacted as opportunities are formalized. You can find application details at: <https://www.gsnv.org/gsnv-chapters/elko-chapter-2025-2026/>

For more details, or to send in applications, please email:
